You must include your first name, last name, and use the email address associated with your alc.ca account. It could take up to three (3) business days for the widget to relaunch in your account.
4) **Play Eligible Games for the chance to trigger the MEGA VAULT Prize Drop:**
    a) Once opted in, players can participate in the promotion by placing a cash wager on any of the thirty-six (36) Eligible Games during the Aggregated Promotional Periods. No minimum cash wager required. Bonus and free rounds do not count towards wagering.
    b) Any cash wager placed on an Eligible Game(s) during any Weekend Promotional Period has a chance of triggering a random Prize from the Prize drop.
    c) Each day during the MEGA VAULT Casino Promotion, the widget will randomly trigger into an active state, which means a MEGA VAULT Prize Drop has commenced. When in an active state, the widget will display how many prizes are available and will count down as each prize is awarded.
    d) When the MEGA VAULT Prize Drop occurs, promo cash prizes will be randomly awarded to eligible players each day (see the table below for the maximum number of prizes awarded per day). A player must place a cash wager and be actively playing an Eligible Game to be eligible to be awarded a promo cash prize.
        i. If all daily prizes are not awarded by end of day, any remaining prizes will be carried over and distributed the following day that the widget is active.
        ii. If all daily prizes are not awarded by the end of the Promotion Period (between Friday, September 4 and Sunday, November 29), the promotion will continue to run until all prizes have been awarded.
