Wins are evaluated after all transformations are complete.

Wild symbols only expand if a winning combination is possible.

Pattern Feature

Earn a pattern win in the base game when all positions on reel 1 are filled with Red7 symbols and all positions on reels 2, 3, 4, and 5 are filled with Fire Goddess Wild symbols.

Line wins are not paid in addition to pattern win.

Cash Eruption Bonus

The *Cash Eruption Bonus* is triggered when 6 or more Fireball scatter symbols appear anywhere on the reels in the base game, or when a Fireball symbol appears on the linked reels in the *Free Spins Bonus*.

The *Cash Eruption Bonus* awards 3 initial respins.

Each Fireball symbol that lands reveals either a prize value or a Jackpot award. All revealed prize values or Jackpot awards are locked in position for the remainder of the bonus.

During each respin, additional Fireball symbols may land, revealing further prize values or Jackpot awards.

Every time a Fireball symbol lands, the respin counter is reset to 3 respins remaining.

Available credit values for bonus triggered from base game and small fireballs in *Free Spins Bonus* are 20, 40, 60, 80, 100, 200, 300, 400, 500, 1000, or 1500 times the line bet of the triggering spin, or mini, minor, or major jackpots.

Available credit values for big fireball triggered from *Free Spins Bonus* are 100, 200, 300, 400, 500, 600, 800, 1000, 1200, 1600, or 1800 times the line bet of the triggering spin, or mini, minor, or major jackpots.

Fill all 15 positions on the reels to win the Grand Treasure.

The Grand Treasure is a fixed award and will not increase with higher bets.

The *Cash Eruption Bonus* continues until no respins remain or until all 15 reel positions are filled.

Locked prize values are cumulative and are awarded in addition to any eligible Jackpot award.

Jackpot values are fixed awards based on the amount wagered and are not shared – they are only winnable by the player.

Reels used in the *Cash Eruption Bonus* are different from the reels used in the base game and *Free Spins Bonus*.

The *Cash Eruption Bonus* is played at the same coin value as the triggering spin.

The *Cash Eruption Bonus* cannot be retriggered.

Free Spins Bonus

The *Free Spins Bonus* is triggered when 3 or more Volcano scatter symbols appear anywhere on the reels.

The *Free Spins Bonus* awards 6 free spins. During the *Free Spins Bonus*, reels 2, 3, and 4 are linked, and only one jumbo symbol appears. All jumbo symbols appearing on the linked reels are 3 symbol positions high and 3 symbol positions wide.

During the *Free Spins Bonus*, Volcano and Fireball symbols appear on the linked reels only.

A jumbo Volcano symbol on the linked reels awards 3 additional free spins, for up to a maximum of 15 free spins per bonus.

Reels used in the *Free Spins Bonus* are different than the reels used in the base game.

Free spins are played at the same coin value as the triggering spin.

Additional Information

Expected Payback

In accordance with fair gaming practices required in most legal jurisdictions worldwide, each and every game outcome is completely independent, except in cases where one spin unlocks a feature for a subsequent spin or series of spins, per the game rules. The odds of getting any particular outcome are always the same.

The odds do not vary based on prior outcomes, balance size, time of day, day of week, etc. For example, if the top award is won on a given play of the game, the chances of winning the top award on the next play are exactly the same. Likewise, prior losses do not change future odds.

The expected payback reflects the theoretical return across a very large number of plays by numerous players over an extended period of time. The results for any given player over a play session can vary widely from this long-term, expected average in either direction. The fewer the number of games played, the wider the normal variance of actual payback that may be experienced.
