

## ALC Game Rules – Additional Information Cash Machine Jackpots

### ENGLISH SLOTS

Game Help and Paytable are available within game.

#### **ADDITIONAL INFORMATION**

##### REEL ACTIVATION

Each bet level corresponds to a number of active reels. Bet 1 credit to play on the 1st reel only with a maximum possible award of 10 credits. Bet 5 credits to play reels 1 and 2 only with a maximum possible award of 105 credits. Max bet to play all 3 reels with a maximum possible non-progressive award of 10,500 credits. Number symbols available on Reel 1 are 1, 2, 5, and 10. Number symbols available on Reel 2 are 0 and 5. Number symbols available on Reel 3 are 0, 5, and 00.

Available credit prizes include 1, 2, 5, 10, 15, 20, 25, 50, 55, 100, 105, 150, 155, 200, 205, 250, 255, 500, 505, 550, 555, 1,000, 1,005, 1,050, 1,055, 1,500, 2,000, 2,500, 5,000, 5,500, 10,000, and 10,500. Only the Highest displayed prize on the reels is paid.

##### JACKPOT WHEEL

A SPIN symbol landing centered on an active reel 3 awards the Jackpot Wheel bonus with one wheel spin. Press the "PLAY" button to initiate the wheel spin. The wheel contains credit prizes and Minor, Major, and Grand Progressive prizes. See the section below for wheel credit prizes available. Jackpot Wheel prize and line wins can be awarded on the same reel stop.

Available wheel credit prizes include 40, 60, 80, 100, 200, 1000.

Progressives are only available during the Jackpot Wheel bonus.

Progressive Tiers are funded by a percentage of all wagers.

##### ZERO RESPIN

The Zero Respin bonus is triggered after a losing spin with at least one active reel displaying at least one Zero or Double Zero symbol on the payline. Any active reels that do not have a Zero or Double Zero symbol on the payline will respin once. If the respin is a losing spin and any of the reels that participated in the respin display a Zero or Double Zero symbol on the payline, any remaining active reels will respin once more. The Zero Respin bonus ends after any winning spin or a losing spin with no additional Zero or Double Zero symbol landing on the payline. Reel 1 does not contain any Zero or Double Zero symbols. Reel 2 does not contain any Double Zero symbols.

The Zero Respin bonus cannot occur on a 1 credit bet. The maximum number of total reel spins at 5 credits bet is 2. The maximum number of total reel spins at max bet is 3. Reels are weighted differently during the Zero Respin bonus. At max bet, the Zero Respin bonus can award the Jackpot Wheel bonus. The Zero Respin bonus and Jackpot Wheel bonus cannot be triggered on the same reel spin. The odds of winning the Zero Respin bonus decrease as bet level increases from 5 to 10.

### **Interrupted Game**

In the event of disconnection, an interrupted bonus feature may be resumed immediately by starting the game again. The results of a completed reel spin (where display of the visual result was interrupted) will not be re-displayed within the game but may be reviewed in My Transaction History.

Any amount wagered on an unfinished spin will remain paused until you either complete the game, the game is voided, or it's auto completed within 24 to 48 hours. When an unfinished spin is voided, your bet will be refunded to your account.

### **Game History**

The result of a completed game may be viewed in My Transaction History immediately after closing the game window. Results of unfinished games are not displayed in My Transaction History.

### **Expected Payback**

*The theoretical average return to player (RTP) is 92.75 – 93.95%. This RTP represents the long-term expected payback of the game which has been calculated by an independent testing lab. Bet settings determine the RTP percentage range; adjusting the bet settings to the maximum number of lines, bet levels, or bet multipliers provides the maximum RTP.*
