

POWERBUCK\$ Bounty O'Bucks

Play **POWERBUCK\$ Bounty O'Bucks** for a chance to become a millionaire on any spin! Thanks to the amazing **Ca\$hLink 2** feature, you might instantly win cash prizes. Trigger the *Wheel Bonus* and spin and win prizes, a **Ca\$hLink 2** multiplier, or the **POWERBUCK\$** Jackpot or Progressive! The higher your bet, the better your odds of winning **POWERBUCK\$**! With a retriggering *Free Spins Bonus* and the *Expanding* feature, that nudges symbols up or down to fill more positions!

How to Bet

POWERBUCK\$ Bounty O'Bucks features 30 paylines.

Bet Settings Menu

Press the cog or TOTAL BET to open the Bet Settings menu.

Coins

Displays the current number of coins being played.

Betting is fixed at 30 paylines.

Coin Value

Displays the current coin value shown in currency.

Total Bet

Displays the current total bet shown in currency. Change by selecting the desired total bet.

On desktop devices, optionally press the minus button (–) to decrease the total bet or press the plus button (+) to increase the total bet.

Press OK to confirm and close the Bet Settings menu.

Spin

Press the circular arrow to submit the bet and spin the reels.

POWERBUCK\$

Every bet is eligible to win either the **POWERBUCK\$** Jackpot or the **POWERBUCK\$** Progressive of at least \$1,000,000!

– Total bets of \$3.00 or more are eligible to win the **POWERBUCK\$** Progressive.

– Total bets less than \$3.00 are eligible to win the **POWERBUCK\$** Jackpot.

The **POWERBUCK\$** Jackpot or **POWERBUCK\$** Progressive can only be won in the *Wheel Bonus*.

The chance of winning the **POWERBUCK\$** Progressive is linearly proportional to the size of the bet.

Ca\$hLink 2 Feature

If a Treasure Chest Scatter Symbol appears on reel 5 and a Wheel Pot of Gold Scatter Symbol does not appear on reel 1, the **Ca\$hLink 2** feature is triggered. All Pot of Gold Scatter Symbols that do not contain a Mini, Minor, Major, Mega, or Grand prize are assigned a cash value. All revealed cash values and prizes are awarded to the player.

Cash values and prize awards are shown in currency and are not multiplied by any value. More than 1 prize may be awarded in the **Ca\$hLink 2** feature.

Wheel Bonus

A Wheel Pot of Gold Scatter Symbol appearing on reel 1 and a Treasure Chest Scatter Symbol appearing on reel 5 triggers the *Wheel Bonus*.

When the *Wheel Bonus* is triggered, a **Ca\$hLink 2** prize value is determined. The **Ca\$hLink 2** value is the sum of all Wheel Pot of Gold Scatter Symbol and Pot of Gold Scatter Symbol values on the reels of the triggering spin.

There are 7 pointers available. The number of active pointers is based on the triggering bet amount.

Prize values and multipliers are available on the wheel.

After the wheel stops spinning, all prizes indicated by active pointers are awarded to the player.

When a **POWERBUCK\$** wedge is indicated by an active pointer, the indicated **POWERBUCK\$** Jackpot or Progressive is awarded.

Prize values are not multiplied by the triggering coin value. Prize values are multiplied by 0.01.

When a multiplier is indicated by an active pointer, the **Ca\$hLink 2** value for that bonus is multiplied.

More than 1 multiplier slice may be indicated by active pointers, in which case the **Ca\$hLink 2** value for that bonus is multiplied by the sum of all indicated multipliers.

Prize values are not multiplied by this multiplier.

Wedges on the wheel are not equally weighted.

Expanding Feature

During the *Free Spins Bonus*, Wild or Pot of Gold Symbols in any position on the reels trigger the *Expanding* feature. Wild or Pot of Gold Symbols appearing in any position on the reel may nudge up or down 1, 2 or 3 positions to fill all positions on that reel with that symbol respectively.

Wins are evaluated after all transformations are complete.

Free Spins Bonus

3 Free Spins Scatter Symbols appearing anywhere on reels 1, 3, and 5 trigger the *Free Spins Bonus* and award 10 free spins.

During the bonus, 3 Free Spins Scatter Symbols appearing anywhere on reels 1, 3, and 5 retrigger the *Free Spins Bonus* and award an additional 10 free spins.

The bonus can be retriggered multiple times, up to a maximum of 200 free spins per bonus.

Free spins are played at same coin value and same number of paylines as the triggering spin.

Options

All Sound

- Toggle game sounds on or off.

Music

- Toggle music on or off.

Sound Effects

- Toggle sound effects on or off.

Rules

Misuse or malfunction voids all pays and plays.

All line win symbols must appear on a played line and on consecutive reels, beginning with the far-left reel.

Only the highest winner is paid on each payline. Line wins are multiplied by the coin value on the winning line. Coinciding line wins on different paylines are added.

Bonus and Feature wins are independent from line wins and are added to the total amount paid.

Free Spins Scatter Symbol appears on reels 1, 3, and 5 in the base game and the *Free Spins Bonus*.

Wild Symbol appears on reels 2, 3, 4, and 5 in the base game and on reels 2, 3, and 4 in the *Free Spins Bonus*.

Wild Symbol is wild and substitutes for all symbols except Treasure Chest Scatter Symbol, Wheel Pot of Gold Scatter Symbol, Pot of Gold Scatter Symbol, and Free Spins Scatter Symbols in the base game and the *Free Spins Bonus*.

Treasure Chest Scatter Symbol appears on reel 5 only in the base game and the *Free Spins Bonus*.

Wheel Pot of Gold Scatter Symbol appears on reel 1 only in the base game.

Pot of Gold Scatter Symbol appears on reels 1, 2, 3, and 4 only in the base game and the *Free Spins Bonus*.

Randomly, the leprechaun may add Chest Symbols to reel 5. The appearance of the leprechaun does not increase the chance of triggering the **Ca\$hLink 2** feature.

Wins are shown in currency.

In this game, the wheel is a graphical animation for entertainment purposes only and does not represent an actual wheel. The chances of obtaining a specific segment are therefore not equiprobable.

In some jurisdictions, regardless of bet size, there may be an award cap on any single transaction. See the paytable for details. A transaction includes the results of the bonus, plus the outcome which launched the bonus, but does not include the **POWERBUCK\$** Jackpot or the **POWERBUCK\$** Progressive. If the award cap is reached in the bonus, the bonus ends immediately, even if there are remaining free spins.

POWERBUCK\$ Rules

For total bets less than \$3.00, only the **POWERBUCK\$** Jackpot is eligible to be won (not the **POWERBUCK\$** Progressive). The **POWERBUCK\$** Jackpot value is always \$1,000,000.

For total bets of \$3.00 or more, only the **POWERBUCK\$** Progressive is eligible to be won (not the **POWERBUCK\$** Jackpot). The probability of winning a **POWERBUCK\$** Progressive is proportional to the total bet size.

The **POWERBUCK\$** Jackpot and the **POWERBUCK\$** Progressive are not available in free play mode.

The **POWERBUCK\$** Jackpot and the **POWERBUCK\$** Progressive are not subject to an award cap.

Upon winning the **POWERBUCK\$** Jackpot or the **POWERBUCK\$** Progressive, a message appears to indicate that customer service will be in contact within 24 hours with payout details. The win verification process may take up to 72 hours, during which time the win amount will not be reflected in the player's account balance. The specific payment process is dependent upon the casino's policy on large win disbursement. You may continue to play. Continuing play does not affect the payment of a **POWERBUCK\$** Jackpot or **POWERBUCK\$** Progressive win.

The amount paid after a verified **POWERBUCK\$** Progressive win is approximately the amount seen on the **POWERBUCK\$** Progressive meter when the win occurs. Potentially, the actual amount paid for a **POWERBUCK\$** Progressive win could be somewhat higher because of communication and display delays.

In an *exceptionally* rare case, the win value could be the **POWERBUCK\$** Progressive seed amount if another player's winning outcome is received by the central server immediately prior to another player's winning outcome. It is theoretically possible for this to occur even though the **POWERBUCK\$** Progressive meter did not yet display the meter reset caused by the first player's win. The order of winning is solely determined by the timestamp applied to each transaction request upon receipt by the jackpot server.

All applicable taxes and fees in connection with any winnings awarded to you and any other payments are the sole responsibility of the player. Winnings cannot be transferred, substituted, or redeemed for any other consideration.

The casino or **POWERBUCK\$** administrator may deactivate this game and/or its linked Jackpot and/or Progressive at any time.

The **POWERBUCK\$** Progressive meter represents an increasing top award where the rate of growth is based on a fixed proportion of all bets and any additional funds added by the **POWERBUCK\$** administrator.

Additional Information

Lost Connection During **POWERBUCK\$** Jackpot or Progressive Win

In the unlikely event of a lost connection or game reset during a **POWERBUCK\$** Jackpot or **POWERBUCK\$** Progressive triggering event, the **POWERBUCK\$** Jackpot or **POWERBUCK\$** Progressive will be awarded.

Notification of the **POWERBUCK\$** Jackpot or **POWERBUCK\$** Progressive win will appear on the game screen when the game is reloaded, and the win will not be reflected in the player's account balance. Any standard wins will be reflected in the account balance. Continued play, whether in this game or any other, does not affect the **POWERBUCK\$** Jackpot or **POWERBUCK\$** Progressive payout. Customer Service will be in contact within 24 hours with the payout details. The win verification process may take up to 72 hours.
