

# POWERBUCK\$ Wheel of Fortune® Hawaiian Getaway

Play **POWERBUCK\$ Wheel of Fortune Hawaiian Getaway** for a chance to become a millionaire on any spin and at any bet level!

From the gentle surf of Waikiki to the steaming lava fields of Mauna Loa, the splendor of tropical paradise awaits in **POWERBUCK\$ Wheel of Fortune Hawaiian Getaway**.

Spin the iconic wheel in the *Wheel Bonus* to win prizes or trigger the *Jackpot Bonus*, the *Pointer Frenzy* feature, or the *Free Spins Bonus*.

The *Pointer Frenzy* feature activates up to 6 pointers on the Bonus wheel and increases the chance of triggering every bonus in a single spin.

Keep an eye out for three or more adjacent full stacks of the same major symbol to trigger the *Big Kahuna Respin* feature, awarding an extra jumbo spin and a mystery multiplier!

Bet up to increase the chances of winning the **POWERBUCK\$** and to increase the Silver, Green, Purple, and Blue Jackpot prizes in the Jackpot Bonus.

## How to Bet

**POWERBUCK\$ Wheel of Fortune Hawaiian Getaway** features 50 paylines for 100 coins.

### Bet Configuration Menu (mobile/tablet)

Press the arrow to open the bet configuration menu.  
Press the check mark to confirm and close the bet configuration menu.

### Coins

Displays the current number of coins.  
Betting is fixed at 50 paylines, which costs 100 coins.

### Coin Value

Displays the current coin value shown in currency.  
Press the minus button (–) to decrease the coin value.  
Press the plus button (+) to increase the coin value.

### Spin

Press the circular arrow to submit the bet and spin the reels.

# POWERBUCK\$

Every bet is eligible to win either the **POWERBUCK\$** Jackpot or the **POWERBUCK\$** Progressive of at least \$1,000,000!

- Total bets of \$3.00 or more are eligible to win the **POWERBUCK\$** Progressive.
- Total bets less than \$3.00 are eligible to win the **POWERBUCK\$** Jackpot.

The **POWERBUCK\$** Jackpot or Progressive can only be won in the *Jackpot Bonus*.

The chance of winning the **POWERBUCK\$** Jackpot or Progressive is linearly proportional to the size of the bet.

## Big Kahuna Respin Feature

The *Big Kahuna Respin* feature can be triggered on any spin in the base game or *Free Spins Bonus*.

Three or more adjacent full stacks of the same major symbol (Surf, Hula, Tiki, Aloha, and Lava) on consecutive reels trigger the *Big Kahuna Respin* feature.

When the *Big Kahuna Respin* feature is triggered, a respin is awarded immediately, in addition to any triggering win(s).

Only major symbols (Surf, Hula, Tiki, Aloha, and Lava) appear on the reels during the respin.

In addition, a random multiplier of 2x, 3x, 4x, or 5x is applied to the total amount won during the respin.

Jumbo symbols always land so that a single, fully-revealed symbol is displayed.

The *Big Kahuna Respin* feature can be retriggered if at least one full stack of the same major symbol lands adjacent to the jumbo symbol during the respin.

The *Big Kahuna Respin* feature can be retriggered up to 2 times.

## Bonus Wheel

Six or more Bonus scatter symbols appearing anywhere on the reels in the base game trigger the *Wheel Bonus* feature. When triggered, a single spin of the Bonus wheel is awarded. Initially, only one pointer is active on the wheel.

Each wheel slice displays an award:

- If the wheel lands on a prize value slice, the player is awarded the prize value multiplied by the initiating coin value.
- If the wheel lands on a *Free Spins* slice, the *Free Spins Bonus* is triggered.
- If the wheel lands on a *Jackpot Bonus* slice, the *Jackpot Bonus* is triggered.
- If the wheel lands on a *Frenzy* slice, the *Pointer Frenzy* feature is triggered.

## Pointer Frenzy Feature

The *Pointer Frenzy* feature is triggered when the Bonus wheel lands on a *Frenzy* slice during the *Wheel Bonus*. When triggered, 2 to 6 additional pointers are randomly activated on the Bonus wheel.

When all additional pointers are active, each awarded feature on the wheel is triggered consecutively.

If more than one prize value slice is triggered during the *Pointer Frenzy* feature, the sum total of all winning prize values multiplied by the initiating coin value is awarded.

If more than one feature is awarded during the *Pointer Frenzy*, the features are triggered in the following order:

- First, any prize value is awarded.
- Second, any awarded *Jackpot Bonus* feature is triggered.
- Finally, any awarded *Free Spins Bonus* is triggered.

## Jackpot Bonus

If the wheel in the *Wheel Bonus* or *Pointer Frenzy* lands on a *Jackpot Bonus* slice, a spin of the Jackpot Wheel is awarded.

The slices of the Jackpot Wheel include POWERBUCK\$, Silver Jackpot, Green Jackpot, Purple Jackpot, Blue Jackpot, and prize values for bet level 4x or lower.

## Free Spins Bonus

If the wheel in the *Wheel Bonus* or *Pointer Frenzy* lands on a *Free Spins* slice, 10 free spins are awarded.

During the *Free Spins Bonus*, six or more Bonus scatter symbols anywhere on the reels retrigger the bonus with an additional 10 free spins.

The *Free Spins Bonus* can be retriggered multiple times, up to a maximum of 120 free spins.

*Big Kahuna* respins do not count toward the free spin count.

Free spins are played at the same coin value and the same number of lines as the triggering spin.

## Rules

Misuse or malfunction voids all pays and plays.

All line win symbols must appear on a played line and on consecutive reels, beginning with the leftmost reel.

Only the highest winner is paid on each payline. Line wins are multiplied by the coin value on the winning line. Coinciding line wins on different paylines are added.

Only the highest scatter win is paid. Scatter wins are multiplied by the total bet.

Scatter wins are independent from line wins and are added to the total amount paid.

Bonus wins are independent from line wins and are added to the total amount paid.

Wild symbol may appear on reels 2, 3, 4, and 5 in the base game and *Free Spins Bonus*.

Wild symbol does not appear in the *Big Kahuna Respin* feature.

If the *Wheel Bonus* and *Big Kahuna Respin* feature trigger simultaneously in the base game, the *Wheel Bonus* is played first, followed by the *Big Kahuna Respin*.

Wins are shown in currency.

In some jurisdictions, regardless of bet size, there is an award cap on any single transaction. See the payable for details. A transaction includes the results of the *Jackpot Bonus* and/or the *Free Spins Bonus*, plus the outcome which launched the bonus and *Wheel Bonus* Coin Values, but does not include the **POWERBUCK\$** Jackpot or the **POWERBUCK\$** Progressive. If the award cap is reached in the *Free Spins Bonus*, the *Free Spins Bonus* or *Big Kahuna Respin* feature in the *Free Spins Bonus* end immediately, even if there are remaining free spins and/or respins. If the award cap is reached in the base game during the *Big Kahuna Respin* feature, *Big Kahuna Respin* feature ends immediately, even if there are remaining respins.

## POWERBUCK\$ Rules

For total bets less than \$3.00, only the **POWERBUCK\$** Jackpot is eligible to be won (not the **POWERBUCK\$** Progressive).

For total bets of \$3.00 or more, only the **POWERBUCK\$** Progressive is eligible to be won (not the **POWERBUCK\$** Jackpot). The probability of winning a **POWERBUCK\$** Progressive is proportional to the total bet size.

For total bets of \$10.00 or more, after every *Jackpot Bonus* that does not award the **POWERBUCK\$** Progressive, a behind-the-scenes Second Chance drawing occurs that can also award the **POWERBUCK\$** Progressive.

The **POWERBUCK\$** Jackpot and the **POWERBUCK\$** Progressive are not available in free play mode.

The **POWERBUCK\$** Jackpot and the **POWERBUCK\$** Progressive are not subject to an award cap.

Upon winning the **POWERBUCK\$** Jackpot or the **POWERBUCK\$** Progressive, a message appears to indicate that customer service will be in contact within 24 hours with payout details. The win verification process may take up to 72 hours, during which time the win amount will not be reflected in the player's account balance. The specific payment process is dependent upon the casino's policy.

on large win disbursement. You may continue to play. Continuing play does not affect the payment of a **POWERBUCK\$** Jackpot or **POWERBUCK\$** Progressive win.

The amount paid after a verified **POWERBUCK\$** Progressive win is approximately the amount seen on the **POWERBUCK\$** Progressive meter when the win occurs. Potentially, the actual amount paid for a **POWERBUCK\$** Progressive win could be somewhat higher because of communication and display delays.

In an *exceptionally* rare case, the win value could be the **POWERBUCK\$** Progressive seed amount if another player's winning outcome is received by the central server immediately prior to another player's winning outcome. It is theoretically possible for this to occur even though the **POWERBUCK\$** Progressive meter did not yet display the meter reset caused by the first player's win. The order of winning is solely determined by the timestamp applied to each transaction request upon receipt by the jackpot server.

All applicable taxes and fees in connection with any winnings awarded to you and any other payments are the sole responsibility of the player. Winnings cannot be transferred, substituted, or redeemed for any other consideration.

The casino or **POWERBUCK\$** administrator may deactivate this game and/or its linked Jackpot and/or Progressive at any time.

The **POWERBUCK\$** administrator or casino may increase or decrease the size of the **POWERBUCK\$** Progressive win by contributing or removing money at any time.

The **POWERBUCK\$** Progressive meter represents an increasing top award where the rate of growth is based on a fixed proportion of all bets and any additional funds added by the **POWERBUCK\$** administrator.

## Additional Information

### Lost Connection During **POWERBUCK\$** Jackpot or Progressive Win

In the unlikely event of a lost connection or game reset during a **POWERBUCK\$** Jackpot or **POWERBUCK\$** Progressive triggering event, the **POWERBUCK\$** Jackpot or **POWERBUCK\$** Progressive will be awarded.

Notification of the **POWERBUCK\$** Jackpot or **POWERBUCK\$** Progressive win will appear on the game screen when the game is reloaded, and the win will not be reflected in the player's account balance. Any standard wins will be reflected in the account balance. Continued play, whether in this game or any other, does not affect the **POWERBUCK\$** Jackpot or **POWERBUCK\$** Progressive payout. Customer Service will be in contact within 24 hours with the payout details. The win verification process may take up to 72 hours.

### Expected Payback

In accordance with fair gaming practices required in most legal jurisdictions worldwide, each and every game outcome is completely independent, except in cases where one spin unlocks a feature for a subsequent spin or series of spins, per the game rules. The odds of getting any particular standard outcome (i.e. not **POWERBUCK\$** related) are always the same.

The standard outcome odds do not vary based on prior outcomes, bet size, balance size, time of day, day of week, etc. For example, if the top award is won on a given play of the game, the chances

of winning the top award on the next play are exactly the same. Likewise, prior losses do not change future odds.

Outcome odds within the *Jackpot Bonus* are influenced by the bet amount, but are not otherwise influenced by any external factors.

The expected payback reflects the theoretical return across a very large number of spins by numerous players over an extended period of time. The results for any given player over a play session can vary widely from this long-term, expected average in either direction. The fewer the number of games played, the wider the normal variance of actual payback that may be experienced.
