In the event of technical difficulties resulting in a dropped connection to the game server, the game you were playing is saved automatically and will load the next time you establish a connection to the game server. You will not be able to reconnect to the game server for the first 30 seconds after the disconnection.

**Note:** In case of malfunction all plays and bets are voided; any bet that was not yet accepted will be voided, any bet that was unsettled will be refunded.

## 2. HOW TO PLAY

**Note:** If you do not have enough money to play a game, the bet can be set to the minimum selectable amount through a dialog window informing about this.

All winning lines pay from left to right, beginning with the far-left reel. All line win symbols must appear on consecutive reels. Wins on different lines are all added. Only the highest winning combination on each line is paid. Winnings from Free Spins are added to the total win.

The auto spin feature does not automatically start free spins - player input is required (Available only for specific jurisdictions).

On the info bar, you can view the current BET, your BALANCE and your current WIN, displayed in either credit or your real currency, depending on the current user's choice (Available only for specific jurisdictions). To toggle between credit or your real currency, click in the BALANCE area (Available only for specific jurisdictions).

## 3. SPECIAL SYMBOLS AND FEATURES

### 3.1. Wild

The **Wild** symbol substitutes for all symbols except for **Green Coin**, **Red Coin**, **Purple Coin**, **Gold Coin** and **Chest**.

**Wild** appears only on reels 2,3,4 and 5.

### 3.2. Wheel Feature

1 or more **Green coins**, **Red coins**, **Purple coins** in any position on the reels during the base game may randomly activate the corresponding **Green pot**, **Red pot**, **Purple pot** above the reels, triggering the **Wheel Feature**.

If the **Wheel Feature** is triggered, win 1 wheel spin.

Press the wheel to spin.

After each wheel spin, win the award indicated by the wheel pointer.

Available wheel awards depend on the triggering pots.

If the wheel pointer indicates +1 **free spin** or +2 **free spins** the awarded number of Free Spins is added to the **Extra Free Spins** meter.

If the wheel pointer indicates **Green pot**, **Red pot** or **Purple pot**, the feature played after the completion of the **Wheel Feature** is upgraded to a **Super Feature** or **Mega Feature**, depending on the pot symbols from the triggering game and the pot indicated by the wheel pointer.

If the wheel pointer indicated a value, **Jackpot**, number of **Free Spins**, **Green pot**, **Red pot** or **Purple pot** on the 1st or 2nd wheel spin, that wedge transforms into **Start Feature** and 1 extra wheel spin is awarded.

A maximum of 3 wheel spins may be awarded. On the 3rd wheel spin, **Start Feature** appears on all wheel wedges.

The Wheel Feature ends when the wheel pointer indicated a wedge containing **Start Feature**.

After the **Wheel Feature** ends, the feature corresponding to the triggering pots and any pots awarded during the **Wheel Feature** begins.

**Note:** The wheel does not represent a real device or physics, so segments selected may not have the same probabilities.

## 3.3. Coin Boost Feature

If the **Coin Boost Feature** is awarded by the **Wheel Feature**, win 5 **Free Spins** plus any **extra Free Spins** awarded during the **Wheel Feature**.

**Free Spins** are played on the same lines at the same bet as the game that triggered the **Wheel Feature**.

During the **Coin Boost feature**, each **Gold Coin** appearing on the reels awards a cash prize. The prize value starts at 100 coins.

Each **Green coin** appearing on the reels during the **Coin Boost Feature** awards 1 extra **Free Spin** and boosts the coin prize value by 15 to 45 coins for subsequent free spins.

The **Coin Boost feature** ends when 0 **Free Spins** remain or after 88 **Free Spins** have been played. Different reels are used during the **Coin Boost feature**.

## 3.4. Jackpot Feature

If the **Jackpot Feature** is awarded by the **Wheel Feature**, win 8 **Free Spins** plus any **extra Free Spins** awarded during the **Wheel Feature**.

**Free Spins** are played on the same lines at the same bet as the game that triggered the **Wheel Feature**.

Each **Chest symbol** appearing on the reels awards 1,2 or 3 **extra Free Spins**, a coin value or a **purple, green, blue or red jackpot gem**.

Available coin values are 18 to 38 coins.

If a **Jackpot gem** is awarded, one gem position is filled under the corresponding **MINI, MINOR, MAJOR or GRAND jackpot meter** above the reels. If all gem positions under a **Jackpot meter** are filled, the corresponding **Jackpot** is awarded and the collected gems are cleared.

**Jackpot** values: **Mini** = 500 coins; **Minor** = 1,500 coins; **Major** = 10,000 coins; **Grand** = 100,000 coins.

More than one **jackpot** can be awarded per **Jackpot feature**.

The **Jackpot feature** ends when 0 **Free Spins** remain or after 88 **Free Spins** have been played.

If **Chest symbol** appears on the reels after 88 **Free Spins** have been awarded, the chest does not reveal or award **extra Free Spins**.

Collected **Jackpot** gems are cleared at the end of the feature.

Different reels are used during **Jackpot Feature**.

## 3.5. Reel Boost Feature

If the **Reel Boost Feature** is awarded by the **Wheel Feature**, win 5 **Free Spins** plus any **extra Free Spins** awarded during the **Wheel Feature**.

**Free Spins** cannot be triggered again during the **Reel Boost Feature**.

**Free Spins** are played on 50 lines at the same bet as the game that triggered the **Wheel Feature**.

**Free Spins** end when 0 **Free Spins** remain.

Different reels are used during the **Reel Boost feature**.

## 3.6. Super Feature

If a **Super Feature** is awarded by the **Wheel Feature**, win 8 **Free Spins** plus any **extra Free Spins** awarded during the **Wheel Feature**.

If a **Super Feature** is awarded, all rules associated with the corresponding individual feature apply, except as noted below.
