## Game Features

### Coin Collect

When coins with values on them and a “Collect” symbol land on the reels at the same time, the total value shown on the coins is awarded.

The values of the coin symbols are dependent on the total bet amount. Changing the bet amount only takes effect on the next spin after the change was made.

The Coin Collect feature can occur during the base game and Free Spins. The Coin Collect feature occurs more often during the Free Spins.

## Free spins

When 3 or more scatter symbols land on reels 2,3 and 4, it awards 8 Free Spins. If 3 scatter symbols land during the Free Spins, it awards an additional 8 Free Spins. The Free Spins can be retriggered an unlimited number of times.

## Stallion Fortunes Jackpots

There are 4 jackpots that can be won, being the Mini, Minor, Major & Grand jackpots that are displayed adjacent to the reels. When 1 or more Coins and a Collect symbol land on the same spin, the jackpot picker bonus round may be triggered at random. Any Coin Collect payouts are first paid and then the Jackpot picker round begins. There are 15 coins to choose from. Revealing 3 matching jackpot coins awards the respective jackpot.

The jackpot values are as follows:

Mini Jackpot = 50X total bet

Minor Jackpot = 100X total bet

Major Jackpot = 200X total bet

Grand Jackpot = 1,000 X total bet
